On Bering Sea Oil Exploration

The Alaska Oil and Gas Association has prepared video tapes on offshore operations in the Bering Sea. All are available for loan, free of charge, in 1/2" or 3/4" video in English and Yupik.

* Also available in Aleut.

- **Alaska Clean Seas** - (13 minutes) Oil industry's emergency planning and spill clean-up program.
- **Offshore Operations: Impact on the Villages** - (12 minutes). Discusses likely impact of OCS operations in Bering Sea villages.
- **Jobs in the Alaska Oil Industry** - (12 minutes) Job opportunities and requirements expected during Bering Sea operations.
- **What Will Happen to the Fish?** - (14 minutes) The effect of oil and gas OCS operations on marine life.
- **Oil and Gas in the Bering Sea** - (18 minutes) Answers questions about oil exploration in the Bering Sea.
- **A Very Natural Resource*** - (30 minutes) An introduction to offshore oil operations and their effect on coastal communities.
- **Getting Ready*** - (19 minutes) Geological and seismic research, permitting and preparation for drilling.
- **Exploratory Drilling*** - (29 minutes) OCS drilling, precautions to protect the environment and discussions of the experiences of the residents of Yakutat during exploration of the Gulf of Alaska.
- **Developing an Oil Discovery*** - (32 minutes) Activities expected if oil is found in the Bering Sea.

Also available are the following special releases:

- **Alaska - America's Energy Frontier** - (30 minutes) Discusses the step-by-step process of oil exploration in the Alaska Arctic. Available only in English.
- **A Resource Called Oil** - Developed for use in schools, the program provides an overview of oil and gas operations in Alaska. Available only in English.
