

Nick Begich scholar- ships available

The 16th Annual Nick Begich Scholarship Intern Fund applications are available to high schools, school districts and post-secondary schools throughout Alaska, says Pegge Begich, chair of the fund.

Deadline is Feb. 15. Alaskans interested in government, education, political science careers and seek scholarships, internships and grants can write to Gene Kennedy, Executive Director, Converse Point, 5 Kabeyun Rd., Marion MA 02738.

The fund is named for Congressman Nick Begich, Alaska's 3rd Congressman, who's disappeared on a flight from Anchorage to Juneau Oct 16, 1972 with three others.

Last year, there were over 100 applications and 20 winners shared a total of \$8,500. This makes a total of over \$80,000 in fifteen years which has been given to Alaskan students from the fund. Winners will be announced on April 6, on the 61st anniversary of the late Congressman's birthday.
