**A Great Book by MUKTUK MARSTON About the  
 ALASKA TERRITORIAL GUARD**

The MEN OF THE TUNDRA is a book that gave credit where it's due.  
 Muktuk Marston praised the ability of Alaska's native men under war time con-  
 ditions. He commanded the Alaska Territorial Guard with understanding, defended  
 them from discrimination. Major Marston formed a fine nucleus for the present  
 crack nativebattalionsof the Alaska National Guard. Muktuk tells the epic tale with  
 humor and, above all, with ever present understanding of the men he worked with.  
 A fine reading.
