

# ***Have You Applied Yet?***

The Supreme Court has ruled that the Alaska Permanent Fund dividend is constitutional. It is urgent that all Alaskans eligible to receive Permanent Fund dividends complete the application forms and mail them before the November 17 deadline.

Application forms can be obtained from any Office of the Governor or at State Department of Revenue offices throughout the State. In addition, Permanent Fund dividend "Hotlines" are in operation throughout Alaska for information or assistance. People in Anchorage should call 276-2678; outside Anchorage, citizens can call Zenith 4900.

You must file by the deadline to qualify! Don't miss out on your share of Alaska's oil revenue wealth - do it immediately if you have not already!
