# Time for a little R&R

Imported from Canada

**Trail Cat.**

## The Shock Absorber.

Before you take a beating on the trail (or in somebody else's showroom), check out Trail Cat. In innovative technology and in-bred ability to swallow moguls whole, Trail Cat has virtually no competition.

Trail Cat takes the shock out of writing up a deal, too. It's one smooth value. Take a look.

When you buy the **Cat** nobody asks why.
