### PUBLIC HEALTH NURSE II

#### ITNERANT

Responsible for Primary Health Care in five remote villages. Provides generalized public health nursing services, health surveillance services, immunizations, and treatment of specified infectious diseases. Position requires BSN, an AK License or eligibility to obtain, CPR cert., two years exp. as a Public or Community Health Nurse II or equivalent, a willingness to travel extensively in

space, staff, and funds; and formulate recommendations with related costs for change immediately, within 1 year, and within 5 years.

This position will report to the Project Director. Monthly reports will be required on progress of study. The final written report will include all recommendations. The final report is due on March 29, 1991.

In accomplishing the above, attention will be focused on enhancing the interaction between departments to more smoothly integrate services, the fair representation of employees and patients using the facility, and ensuring that recommendations are realistic and able to be accomplished with available funds.

Site visits adequate to accomplish the above will be required and must be addressed in proposal.

### III. Qualifications:

Experience with Ambulatory Health Care Systems

Knowledge of rural health care, preferably Alaskan rural health care  
Knowledge of PL 90-432,  
Knowledge of HR  
Previous experience with feasibility studies

Preferable previous experience with the consolidation and/or merger of health care provider programs

Indigenous American preference in hiring under 7B provision of P.L. 93-636, entitled "Indian Self-Determination and Education Assistance Act"

### IV. Instructions to Respondent:

Submit proposals to: D. Williams, YTOIC, PO Box 528, Bethel, Alaska 99504. Phone inquiries: (907) 543-3321 ext. 229. Enclose resume and work history. A preliminary determination has been made that this project will have no significant impact on the environment. Comments and requests for information should be mailed to either address listed below, and received within one month from the date of this public notice. This will be the only public notice concerning this project.

### REQUEST FOR PROPOSALS

Project Name: OPD Feasibility Study  
Date: November 6, 1990

#### I. Statement of Purpose:

The Yukon Kuskokwim Health Corporation is requesting proposals from qualified respondents to assist in conducting a feasibility study of the Outpatient facilities at the Yukon Kuskokwim Delta Regional Hospital. The study will include the development of a plan for the improved utilization of the Outpatient care facilities.

#### II. Scope of Service:

With the assistance of the Project Director and a Feasibility Study Committee the respondents will: collect data on current usage of all Outpatient care departments to include - ER, OPD Walk-in clinic and appointments, Dental, MCH, Eye Clinic, Community Health Aide training, and Mental Health; review existing building and space, and most recent "Space and Building" study; interview service providers and consumers for their view of needs; review previous OPD studies; assist each department and between departments to meet set criteria for allocation of

space, staff, and funds; and formulate recommendations with related costs for change immediately, within 1 year, and within 5 years.

This position will report to the Project Director. Monthly reports will be required on progress of study. The final written report will include all recommendations. The final report is due on March 29, 1991.

In accomplishing the above, attention will be focused on enhancing the interaction between departments to more smoothly integrate services, the fair representation of employees and patients using the facility, and ensuring that recommendations are realistic and able to be accomplished with available funds.

**NOTICE OF PROPOSED CHANGES  
IN THE REGULATIONS  
OF THE DIVISION  
OF PIONEER'S BENEFITS  
DEPARTMENT OF ADMINISTRATION**

Notice is given that the Division of Pioneer's Benefits, under the authority of AS 47.45.100 proposes to amend regulations in Title 2 of the Alaska Administrative Code, dealing with the Longevity Bonus Program, to implement AS 47.45.010 - 100, as follows:

alter application requirements regarding attorney signatures, allowable absences from Alaska, certification of residency, and proof of age and residency;

provide specific guidance for submission and review of application, notification of applicants and disqualification of applicants;

broaden the opportunity for administrative hearings and reduce the allowable time to challenge a denial of benefits from 60 days to 30 days;

replace the existing prospective payment system with a retrospective system without interruption of benefits for current recipients and with delayed initial payment for applicants;

require monthly recalculation by all recipients except those on remote status, who have three months to reapply;

incorporate existing policy regarding withholding of bonuses when a recipient has been overpaid;

specify that a recipient who fails to return monthly application will be notified of that failure;

alter the method to compute absences from Alaska and the schedule of bonus payments to be forfeited upon an absence;

incorporate existing policy regarding suspension of payments;

specify provisions for indefinite disqualifications, expand the list of absences which allow a recipient to avoid a one-year disqualification as a consequence of extended absences, specify allowable absences during a period of disqualification, and impose fine fees for response to recipients;

favor telephone hearings over face-to-face hearings and allow the applicant to be represented by an agent and to terminate the hearing process;

incorporate existing policy regarding use of information in recipient files and ensure that information provided in confidence is not released to a recipient or to the public;

allow the signature of an authorized representative as a substitute for a personal signature in certain circumstances;

incorporate current policy regarding reimbursement of overpayment;

provide for a transition to a retrospective system with limited interruption of benefits; and

provide for various minor changes in the administration of the program.

The purpose of this action is to clarify responsibilities and duties of the department, clarify requirements imposed of benefit recipients and the effect of various actions by recipients, delete provisions and references that no longer apply to the operation of the program, incorporate policy into regulations, and streamline administration of the program.

Notice is also given that any person interested may present oral or written statements or arguments relevant to the proposed action at hearings being held at:

the Tundra Room of the Anchorage Pioneer Home, Anchorage, Alaska, at 9:00 a.m., on November 5, 1990;

the Recreation Room of the Fairbanks Pioneer Home, Fairbanks, Alaska, at 9:00 a.m., on November 8, 1990; and

Room 205 of the State Capitol, Juneau, Alaska at 9:00 a.m., on November 13, 1990.

The hearings will be held from 9:00 a.m. to 4:00 p.m. and will be extended to accommodate those present by 4:00 p.m. who do not have an opportunity to testify.

Testimony may be presented by teleconference on November 13, 1990 from the following Legislative Information Offices:

Anchorage, 3111 C Street, Suite 150;  
Bethel, 308 Willow Street;  
Fairbanks, 119 N. Cushman Street, Suite 101;  
Kenai-Soldotna, 24822 Kalfornsky Beach Road, Soldotna;  
Ketchikan, 352 Front Street;  
Kodiak, Kodiak Plaza Building, 112 Main Bay Road;  
Kotzebue, Eskimo Building, 633 Front Street;  
Mat-Su, Kravik Building, Suite 106, 186 E. Parks Highway, Wasilla;  
Nome, State Building, 2nd Floor, Front Street, and Sitsa, 210 Lake Street

The teleconference network will be available from 9:00 a.m. to noon on November 13, 1990 and will be extended to accommodate those present by noon who do not have an opportunity to testify.

In addition, written statements or arguments may be sent to the Division of Pioneer's Benefits, to be received no later than November 20, 1990.

This action is not expected to require net increase of appropriations to the Longevity Bonus program, but are expected to increase medicare costs as follows: FY 91, \$53,500; FY 92, \$294,000; FY 93, \$325,900; FY 94, \$402,000.

Copies of the proposed regulations may be obtained by writing to:

Division of Pioneer's Benefits  
Department of Administration  
Box 01  
Juneau, AK 99811-0211  
Telephone: 465-4400  
FAX: 465-4108

The Department of Administration, at the hearing or after, will either adopt these or other proposals dealing with the same subject, without further notice, or decide to take no action on them.

Date: 9/25/90

Frank S. Baxter, Commissioner  
Department of Administration
