Regional Coordinators

The University of Alaska, Fairbanks, is seeking qualified applicants for two positions of Regional Coordinator for field-based programs through the College of Human & Rural Development. One will be full-time located in Dillingham; the second will be up to 20 hours per week, located in the Lake Iliamna area. Primary responsibilities for both include: 1. assisting in the development and delivery of four year degree programs within the region; 2. working closely with the area schools and agencies; 3. office support activities at the regional center(s); 4. in-region travel to assist undergraduate students in their course work. Qualifications required: Bachelor's degree with additional training and/or experience in cross-cultural education. Desired: fluency in an Alaska Native language; previous teaching or other professional work experience in rural Alaska, particularly in Bristol Bay.

Candidates will be on the University of Alaska APT scale; Salary is \$17.20 per hour. The contract period will start on date of hire and will end May 23, 1987. Resume, transcripts and letters of recommendation should be sent to:

Center for Field programs
College of Human & Rural Development
7th Floor Gruening
University of Alaska
Fairbanks, Alaska 99775

Applications accepted through July 18, 1986.

AND CONSTRUCTION

INVITATION FOR BIDS

Sealed bids in single copy for furnishing all labor, materials and equipment, and performing all work on Project No. 68829 & 69056, Juneau-Egan Drive Spot Improvements, Juneau-10th/12th Street Turn Bays, described herein, will be received until 2:00 p.m. prevailing time, July 24, 1986, on the second floor, Conference Room, Room 202, Island Center Building, Douglas, Alaska.

This project will consist of bridge and roadway construction at three areas along Egan Street, 12th Street and Egan Drive will be lengthened. This will involve new asphalt paving, curb and gutter. The Gold Creek Bridge roadway approach will be rebuilt, a concrete cap to the existing riprap under the bridge will be constructed and the rip rap along Egan Drive will be reconstructed. At Merchant's Wharf approximately 400 feet of roadway will be reconstructed, involving new asphalt, concrete sidewalk, curb and gutter. In addition the traffic detectors for the existing signal light at Main Street and Egan Drive will be replaced.

The Engineer's Estimate is between \$250,000 and \$500,000.

Principal items of work consist of the following: 1,113 tons of base course; 476 tons of asphalt concrete, Type II; 71 cubic yards of Class W concrete; 906 linear feet of curb and gutter, Type I; 900 tons of riprap, Class III.

All Work Shall be completed in 60 Calendar Days.

The Department of Transportation and Public Facilities hereby notifies all bidders that it will affirmatively assure that in any contract entered into pursuant to this invitation, Disadvantaged Business Enterprises (DBE) and Women Business Enterprises (WBE) will be afforded full opportunity to submit bids and will not be discriminated against on the basis of race, color, national origin or sex in consideration for an award.

One set of plans, specifications and other bidding documents may be obtained at no charge by all who have a bona fide need for them for bidding purposes from Southeast Regional Contracts, P.O. Box 1467, Juneau, Alaska 99802. Phone Number (907) 364-4287.

Bidding documents are available for inspection at the office of the Regional Department of Transportation and Public Facilities offices in Anchorage, Fairbanks and Juneau; the Associated General Contractors Offices in Seattle, Anchorage, Fairbanks and Juneau.

All technical questions regarding design and construction of this project should be directed to the
