INVITATION FOR BIDS

Sealed bids in single copy for furnishing all labor, materials and equipment, and performing all work on Project No. H79354, Bethel Trooper Housing described herein, will be received until 2:00 p.m. prevailing time, July 27, 1983, in the Office of the Chief of Technical Services, 4111 Aviation Dr., Anchorage, AK.

This project will consist of building renovation, foundation rework, site work, utility modifications and upgrade at four duplex housing units owned by the State of Alaska and occupied by Alaska State Trooper personnel. The utility work involves construction of a new insulated utility and removal of the existing utility while maintaining essential services to the eight living units.

The major work items are as follows: Site grading to improve drainage from housing pads; Placement of additional fiberglass batt insulation between the floor joists; Leveling of four existing duplex structures and replacing the existing post on pad foundation with steel "wide flange" beams and new treated wood pads; Provide corrective work on both the interior and exterior of the buildings for the damage done to the structures from past settlement and the leveling operations; Replacement of all existing windows with wood framed triple glazed glass windows, and the replacement of all storm doors; Repainting of interior of buildings; Construction of new utility runs from the utility building to all four buildings. The existing utility now in service will ultimately be abandoned, demolished and removed; Construction of a new utility house; Provide and install equipment.

The Engineer's Estimate is between \$250,000.00 to \$500,000.00. All work shall be completed in 75 calendar days.

The Department of Transportation and Public Facilities hereby notifies all bidders that it will affirmatively assure that in any contract entered into pursuant to this invitation, Female and Minority Business Enterprises will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, national origin or sex in consideration for an award.

Excluded from the above-described lands herein approved for conveyance are the submerged lands, up to the ordinary high water mark, beneath all water bodies determined by the Bureau of Land Management to be navigable because they have been or could be used in connection with travel, trade and commerce, or are tidally influenced. Those water bodies are identified on the attached navigability maps, the original of which will be found in the easement case file F-14876-EE.

All other water bodies not depicted as navigable on the attached maps within the land to be conveyed were reviewed. Based on existing evidence, they were determined to be nonnavigable.

The lands excluded in the above description are not being approved for conveyance at this time and have been excluded for one or more of the following reasons: Lands are no longer under Federal jurisdiction or lands are under applications pending further adjudication. Lands within U.S. Surveys which are excluded are described separately in this decision if they are available for conveyance. These exclusions DO NOT constitute a rejection of the selection application; unless specifically so stated.

The conveyance issued for the surface estates of the lands described above shall contain the following reservations to the United States:

1. The subsurface estate therein, and all rights, privileges, immunities, and appurtenances, of whatsoever nature, accruing unto said estate pursuant to the Alaska Native Claims Settlement Act of December 18, 1971 (43 U.S.C. 1601, 1613(f)); and

2. Pursuant to Sec. 17(b) of the Alaska Native Claims Settlement Act of December 18, 1971 (43 U.S.C. 1601, 1616(b)), the following public easements referenced by easement identification number (EIN) on the easement maps attached to this document, copies of which will be found in case file F-14876-EE, are reserved to the United States. All easements are subject to applicable Federal, State, or Municipal corporation regulation. The following is a listing of uses allowed for each type of easement. Any uses which are not specifically listed are prohibited.
