## JIM SCHOPPERT — NATIVE ARTIST

ALASKA ARTS SOUTHEAST PRESENTS

### Fine Arts Camp '87

The Fine Arts Camp is held on the picturesque campus of Sheldon Jackson College in Sitka. It offers Alaska's youth a comprehensive study of the arts. From writing, drama and dance to music and the visual arts.

Chevron USA is pleased to sponsor Tlingit artist and carver Jim Schoppert as this year's artist-in-residence. And we're honored to support the enrichment that the Southeast Fine Arts Camp brings to Alaska's youth.

Come join us at this year's camp.
