The AHTNA Heritage Foundation established in 1986 to perpetuate the AHTNA heritage and enhance the socio-economic status of the AHTNA People.

To accomplish this the foundation shall use the traditional culture, in all its facets, as the primary means to enhance the education, the life skills, the pride and self esteem of the Ahtna People: The traditions of the past are employed as a bridge which is used to help the Ahtna people move from their traditional life style to a socio-economic position of self sufficiency in the current & future Alaskan society while at the same time retaining the positive aspects of Ahtna history and culture.

The foundation has several educational support programs available for qualified applicants enrolled at accredited colleges, universities and vocational institutions. Award of grants is dependant on funding available.

General College & Vocational Scholarships. \$1,000.00 scholarships are available for fall and spring semesters. Applicants must be enrolled full time at an institution of their choice and have a minimum 2.0 GPA. Grants are renewable for the duration of the student's educational program.

Ahtna Heritage Foundation Board of Directors Scholarship. Awarded annually to an outstanding student enrolled in a college undergraduate or graduate course of study.

Professional Training Grants. The foundation provides scholarships and grants in aid to students in all fields of study including construction trades, business, law, science, petroleum, archaeology and other professional training programs. The amount of grants vary dependant on student's program and need.

Application Deadlines:
