

Pt. Hope's Honor Award Given North Star Captain

(From ANICA News)

Walter S. Hammond, Master, US-MS North Star III, was given the Village of Point Hope Honor Award on September 14, 1965.

The impressive ceremony took place at dinnertime on board the ship in the presence of Captain Hammond's staff, Don Prouly from the Washington office, and Leo E. Murphy representing ANICA.

The presentation was made by ANICA's President, Daniel Lisbourne who praised the Captain

highly for his help and interest in the welfare of Point Hope.

The citation reads:

"In appreciation for your outstanding services to our village, and especially for your efforts and the time and manpower your ship spent trying to pick up the two light plants at Icy Cape and bring them to Point Hope to help relieve a serious electric power shortage in our village. We deeply appreciate your effort to assist us in a village emergency."
