**Aggie's
a winner.**

Aggie Harrison, Personnel Specialist for Atlantic Richfield Company, has made a career of smoothing things out for people who have it rough. But she's spent at least as much time off the job working to help those in need. So, it was no surprise to us when Aggie received a 1973 Gold Pan Award for community service from the Anchorage Chamber of Commerce. Through the years, Aggie has helped plan and raise funds for such vital programs as the Older Persons Action Group, Head start, and Anchorage Youth Council. She's helped put together a halfway house for alcoholic women, an arts workshop for Alaskan Natives, and an emergency food and medical program. She carries a full load of speaking engagements and still has managed to help more than 35 Native youngsters through school. We're proud that a lot of people think Aggie Harrison is a winner. But, then, we've known that all along.
