FINAL DECISION
CONCERNING THE INELIGIBILITY
OF PAULOFF HARBOR (Sanak)
AS A NATIVE VILLAGE FOR
PURPOSES OF ANCSA 1971 ACTION)
UPON PROTEST

ADMINISTRATIVE DETERMINATION

UPON PROTEST

This is a written decision on a protest filed pursuant to 43 CFR, Part 2650 by the Aleut Corporation by and through its attorneys, Kay, Miller, Libbey, Kelly, Christie and Fuld, hereinafter referred to as protestant, First National Building, Suite 500, Anchorage, Alaska 9501. The protest of the Aleut Corporation was dated October 29, 1973, and it was received on October 30, 1973, by the Director, Juneau Area Office, Bureau of Indian Affairs,
Protestant objects to the Native Village of Pauloff Harbor (Sanak) being determined to be ineligible because protestant contends that the village does meet the requirements of 43 CFR 261.2 (b).
The Alaska Native Claims Settlement Act of December 18, 1971 (85 Stat. 688-716), and 43 CFR, Part 2650 provides for the settlement of certain land claims of Alaska Natives and for other purposes. Section 11 (b) (2) of the Act is quoted as follows: "Within two and one-half years from the date of enactment of this Act, the Secretary shall review all of the villages listed in Subsection (b) (1) hereof, and a village shall not be eligible for land benefits under subsections 14 (a) and (b), and any with-drawal for such village shall expire, if the Secretary determines that—

(A) Less than twenty-five Natives were residents of the village on the 1970 census enumeration date as shown by the census or OTHER EVIDENCE SATISFACTORY TO THE SECRETARY, who shall make findings of fact in each instance; ***."

DENCE SATISFACTORY TO THE SECRETARY, who shall make findings of fact in each instance; **.**

The 1970 Census is not, therefore, the exclusive source of information for the determination of residency. Part 43th of Title 25 of the Code of Federal Regulations provides for the enrollment of the Natives. A main source of "other evidence satisfactory to the Secretary of the Interior" is the official enrollment which not only contains evidence for face but of residence (on the 1970 Census date) as well.

Subpart 26512 of Title 43 CFR contains the authority for the Secretary of the Interior in the determination of the eligibility of Natives for land benefits under the Act.

As of November 8, 1973, 11 Natives had been certified for enrollment in the Native Village of Pauloff Harbor (Sanak). On Augist 16, 1973, a field investigation was completed of Pauloff Harbor (Sanak) and at that time only three Natives who used the village for a period of time in 1970 had been certified for enrollment to this village. Since only 11 Natives had been certified for enrollment to Pauloff Harbor (Sanak) on November 8, 1973, this number is less than the number of Native required by Subpart 2651.2 (b) (1) and (2) for the regulations.

The Director, Juneau Area Office, Bureau of Indian Affairs, has examined and evaluated the protest to gether with his record of findings of fact and proposed decision, and does hereby render a decision determining that the Native Village of Pauloff Harbor (Sanak) is ineligible for land benefits under said Act.

The decision of the Director, Juneau Area Office, Bureau of Indian Affairs, shall be published in the Federal Register and in one or more newspapers of general circulation in the State of Alasi'a and a copy of the decision and findings of fact upon which the decision is based shall be mained to the affected village, all villages located in the "region in which the decision and findings of fact upon which the decision summit he State of Alasi'a and accopy of the decision and findings of fact upon which
