

Free tutoring available for minority nursing students

Free tutoring is available for minority (Black, Asian, Hispanic, Alaska Native, American Indian, etc.) pre-nursing and nursing students at A.C.C., U.A.A., the Associate Degree Nursing (A.D.N.) sites and other locations in Alaska.

Students are encouraged to seek help before having difficulties with classes.

Tutoring is not limited to just coursework in nursing. This program will pay for tutoring in any coursework that is preparatory to nursing or that will apply to the students degree in nursing. Graduate Nurses are available to tutor students in nursing coursework also. If you have any questions on the coursework that is acceptable, please call me at 786-4641.
