**"We need this bill to allow volunteer dentists-dental students supervised by their professors and hygienists to deliver dental health care to isolated rural Alaska."**

**We have volunteers ready to work to provide this needed care, but the dental board, Dr. Arthur Hansen, president, and others refuse to issue the permits allowed by law for isolated areas.**

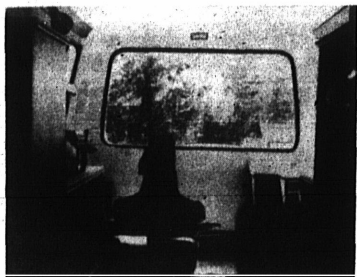

**Let's break this senseless dental monopoly.**

**Call or write your legislators at once —**

**Public Opinion Messages (POM) may be sent to the Governor or members of the State Legislature in Juneau at a cost of 60 cents for 15 words or less.**
