SERVICE COMPANY

NORTHLAND WOOD PRODUCTS

BOX 80-528 - COLLEGE, ALASKA 99708

We like bush orders at Northland Wood. We know the problems you have in ordering materials, and we want to help.

We will ship to any village that gets barge, airline or truck freight out of Fairbanks. We have our own delivery truck and will deliver any place on the highway. Our trucks will haul approximately 6,000 board feet of lumber, or 20,000 pounds.

If you order something we don't stock, we will pick it up for you at other building materials stores.

We deliver your materials to the freight company free. It doesn't matter if you order one board or a complete house. We will do our best to ship your materials the day after we receive payment.

We charge you the same price that we charge the people in Fairbanks, and we always try to keep our prices the lowest in town.

You can send us your order or phone us at 452-4000. Give us a chance to show you how GOOD service can be from Fairbanks.
