| - PCE | - Boat Loans |

Their Communities and Their Environment...

- | | |
|------------------|-----------------------|
| - CIP's | - Resources/Fisheries |
| - Communications | - Land/Air/Water |
| - Transportation | - Water/Sewer Systems |

"When I started the alcohol recovery camp, Kay was one of six to give a helping hand. Let's continue to go forward with Kay."

John Titus, Ft. Yukon

"Kay has always emphasized Native traditions. She's a strong supporter for Native ways."

Robert and Julia Walker, Anvik

"Kay is a hard worker for rural people, not just a goodtimer in Juneau."

Agnes Ostlund

"Kay has been a very strong supporter in education for all kids. From the bottom of my heart, thank you Kay. You have stood strong for us and you look for the strengths in people, not the weaknesses."

Flora Paukan, St. Mary's

"You hang in there Kay. We want you to be our representative! Your protection of the Power Cost Equalization Program helps all the people out here."

Jackie Feigon-Gibson, Aniak

"Thank you Kay for your subsistence stand for rural and Native people. I admire that!"

Don and Sam Standifer, Tyonek

"Representative Kay Wallis was the only legislator to introduce Native preference for subsistence. This goes to show that she fully supports issues of concern to us and will continue to fight for our rights."

Willie Kasayulie, Akiachak
