

Look who has pledged their support to work with Arliss and Jim!

PRESIDENT GEORGE BUSH: "When I think of the stand you've taken on ANWR on a sensible national energy policy to make us less dependent on foreign oil, all I can say is God bless you and good luck."

ROY HUHNDORF, President and CEO of Cook Inlet Region, Inc. ("CIRI"): "Arliss has gone to the wall for us on three separate occasions on Subsistence (1982, 1986 and 1990) and she has earned our support."

FRANK PAGANO, President, Koniag, Inc.: "The quality of life of our people hasn't improved with the last Democratic governors — it's time for a change. Arliss knows the system and the players and Jim Campbell brings in the business know-how — as a team they can't be beat. They are honest and up front."

"ROBBIE" FAGERSTROM, President, Sitnasuak Native Corp. (Nome): "I look at a person not as a Republican or as a Democrat, but for what the person has to offer in leadership. Arliss is a straight shooter and honest in the way she conducts herself. She will tell you the way it is — not just what you want to hear. With her honesty and experience in the Legislature, she will be a great Governor."

JOHNNY T. HAWK, President and CEO of Calista Corp.: "I have sat down with both Tony Knowles and Arliss Sturgulewski and I'm supporting Arliss. If Tony Knowles becomes Governor it will be status quo. We can work with Arliss to make changes — with Arliss we will be in a better position to improve the lives of our people. Arliss is willing to listen to our concerns."

MARTIN B. MOORE, President, Emmonak Corp.: "I have the greatest respect for Arliss — when she handled the Coghill withdrawal in a calm, respectful manner, she showed she has the leadership and ability to handle other problems. It is time for a change and I support Arliss for Governor."

GLENN "TINY" FREDERICKS, Former Co-chairman of AFN: "Arliss has done all she can and will continue to do all she can to support Subsistence issues. Arliss is the best person to take the state into the 1990's. She is a good planner and will help the villages face the 1990's."

SENATOR TED STEVENS: "Your leadership abilities, personal integrity and vision for Alaska's future are what our state needs in its next Governor."
