**Committed to Communication!**

**EDUCATION** "To ensure we have the knowlege, talent and skills to meet the challenges of the future, we **must** have equal access to quality education."

**SUBSISTENCE** I support a constitutional amendment assuring protection of rural subsistence.

**LAND USE** I support **responsible** development of renewable resources (fishing, timber, agriculture, tourism.)

**FISHING** "Alaska's fisheries **MUST** be protected! I will work for the resolution of off-shore fishing by foriegn vessels which deplete OUR resources.

**EMPLOYMENT** "Local hire **MUST** be a priority if we are to create an economic base within our villages."

**ELDERS** I support the continuation of the longevity bonus, elder housing and other services for Elders that recognizes their contribution to us.

**SUBSTANCE** I support resources necessary to assist local

**ABUSE** communities in combating our number one killer of families, friends and villages.
