SCOPING MEETINGS for the proposed TRANS-ALASKA GAS SYSTEM

The Bureau of Land Management and the U.S. Army Corps of Engineers will prepare an Environmental Impact Statement (EIS) for a grant of right-of-way across Federal lands in Alaska and for the discharge of dredged or fill material as a result of construction of a pipeline transporting natural gas from Prudhoe Bay to Valdez Harbor.

The public is invited to participate in the identification of issues to be considered in the EIS. A series of public workshops and scoping meetings are scheduled as follows:

Date	Place
Dec. 8	North Slope Borough Administration Bldg., Barrow
Dec. 9	North Star Borough Assembly Chambers, Fairbanks
Dec. 10	Glennallen High School Gym, Glennallen
Dec. 11	Valdez City Hall, Valdez
Dec. 12	Peninsula Borough Assembly Room, Soldotna
Dec. 13	BLM Anchorage District Office, Anchorage

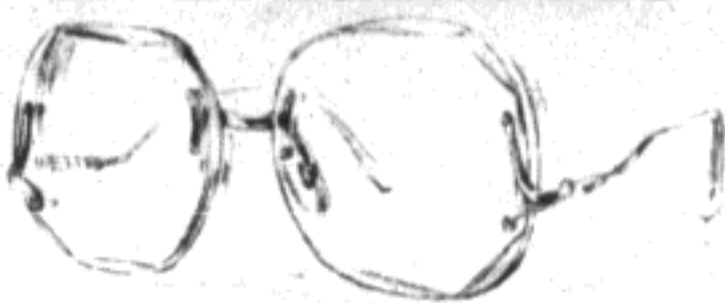

The workshops will take place from 2:30-5 p.m. and the scoping meetings from 7-11 p.m. each day.

Written comments will be accepted until December 23, 1986. They may be sent to Jules Tileston, BLM Program Officer, TAGS, Bureau of Land Management, Box 30, Anchorage, Alaska 99513 ((907) 271-4440).

Questions about the proposed actions and EIS related to the Department of Army permits also may be addressed to William Fowler, Project Mgr., Alaska District, U.S. Army Corps of Engineers, Box 898, Anchorage, Alaska 99506-0898 ((907) 743-2712).
