

Look who's celebrating their first birthday.

And you're invited.

It's our first birthday and we want you to come and celebrate with us during the week of December 8-13.

There will be colorful balloons and Christmas candy for the kids. Fresh hot coffee for adults, and our first 200 guests will receive a complimentary coffee mug. Plus, on Thursday, December 11th, we will have a special birthday cake to share with you.

In addition, we're offering you a special \$25 discount certificate for future travel, which may

be applied to airline tickets, hotels, car rentals, cruise or tour packages or a combination thereof. (See certificate below).

During the past year, we have truly valued your business and this is just one way we want to thank you for making Northstar Travel your travel company.

We hope you'll join us for our first birthday.
