

GETTING HERE SHOULDN'T BE HALF THE BATTLE.

Don't put up a fight when your employees ask you for time off to train for the National Guard and Reserve. It takes time and training to make our nation more secure.

Fully manned and trained, the Guard and Reserve make up one-third of our nation's defense.

So if you're an employer, give the Guard and Reserve all the support you can. When your employees ask for time off to train to make our country more secure, give them that time. What they bring back to the job could be invaluable.

If you're an employer and want more information, write Employer Support, P.O. Drawer 9660, Arlington, VA 22209-0660. Or call 1-800-336-4590. In Virginia and Guam, call collect 202-696-5307.

Protect their future while they protect yours.
