## LEGALS

#### INVITATION FOR BIDS STATE OF ALASKA DEPARTMENT OF TRANSPORTATION AND PUBLIC FACILITIES INTERIOR REGION DESIGN AND CONSTRUCTION

Sealed bids in single copy for furnishing all labor, materials and equipment, and performing all

work on Project No. A3121 Chalkyitsik Runway Improvements and Chalkyitsik Village Streets described herein, will be received until 2:00 p.m. prevailing time, July 26, 1983, in the Office of the Chief of Technical Services, 2301 Peger Road, Fairbanks, Alaska 99701. This project will consist of the following: 27,278 square yards of Surface Preparation; 1,797 cubic yards of Borrow Embankment; 374 linear feet of Various Sizes of Corrugated Metal Pipe and 1,890 cubic yards of Aggregate Surface Course. All work shall be completed by September 30, 1984.

The following provisions are made a part of all advertisements for State construction contracts:

"Bidders must submit certifications stating whether or not they intend to subcontract a portion of the work and, if so, that they have taken affirmative action to seek out and consider minority business enterprises as potential subcontractors. Each bidder intending to sublet part of the contract work shall make contact with potential minority business enterprises subcontractors to affirmatively solicit their interest, capability, and prices, and shall document the results of such contacts. A bidder's failure to submit this certification or submission of a false certification shall disqualify their bid for award."

Certification Form 25A327 shall be submitted before award. Plans and specifications may be obtained by all who have a bona fide need for them for bidding purposes from the Chief of Technical Services, 2301 Peger Road, Room 151, Fairbanks, Alaska 99701, telephone no.(907) 452-1911 ext. 293. Plans may be examined at the office of the Regional Department of Transportation and Public Facilities offices in Fairbanks, Anchorage, and Juneau, and the Associated General Contractors offices in Fairbanks, Anchorage, Juneau, and Seattle.

##### INVITATION FOR BIDS

Sealed bids in single copy for furnishing all labor, materials and equipment, and performing all work on Project No. H79354, Bethel Trooper Housing described herein, will be received until 2:00 p.m. prevailing time, July 27, 1983, in the Office of the Chief of Technical Services, 4111 Aviation Dr., Anchorage, AK. This project will consist of building renovation, foundation rework, site work, utility modifications and upgrade at four duplex housing units owned by the State of Alaska and occupied by Alaska State Trooper personnel. The utility work involves construction of a new insulated utility and removal of the existing utility while maintaining essential services to the eight living units.

The major work items are as follows: Site grading to improve drainage from housing pads; Placement of additional fiberglass batt insulation between the floor joists; Leveling of four existing duplex structures and replacing the existing post on pad foundation with steel "wide flange" beams and new treated wood pads; Provide corrective work on both the interior and exterior of the buildings for the damage done to the structures from past settlement and the leveling operations; Replacement of all existing windows with wood framed triple glazed glass windows, and the replacement of all storm doors; Repainting of interior of buildings; Construction of new utility runs from the utility building to all four buildings. The existing utility now in service will ultimately be abandoned, demolished and removed; Construction of a new utility house; Provide and install equipment.

The Engineer's Estimate is between \$250,000.00 to \$500,000.00. All work shall be completed in 75 calendar days.

The Department of Transportation and Public Facilities hereby notifies all bidders that it will affirmatively assure that in any contract entered into pursuant to this invitation, Female and Minority Business Enterprises will be afforded full opportunity to submit bids and will not be discriminated against on

the grounds of race, color, national origin or sex in consideration for an award.

PLANS, SPECIFICATIONS AND BIDDING information may be obtained by all who have a bona fide need for them for bidding purposes from Chief of Technical Services, 4111 Aviation Drive, Anchorage, AK, 907/266-1674 (mailing address, Pouch 6900, Anchorage, AK 99502).

One set available to qualified bidders at no charge.

Documents are available for INSPECTION at: AGC office in Anchorage, Fairbanks, Juneau, Seattle and Tacoma; MBE Services Center, Anchorage; Construction Plan Bureau, Anchorage and Fairbanks; Northwest Plan Center, Seattle and Portland; Dodge-Scan, Seattle; Construction Data News, Seattle; Sno-King Plan Center, Lynnwood, WA; Regional DOT&PF, Technical Services, Anchorage, Douglas and Fairbanks.
