

KCC accreditation re-affirmed

The accreditation of Kuskokwim Community College (KuCC) was re-affirmed by the Commission on Colleges of the Northwest Association of Schools and Colleges.

This reaffirmation came after three semesters of internal review and subsequent preparation of a self-study report by KuCC faculty and staff. The self-study was a focal

point for a college site visit by a six-member evaluation committee from the Northwest Association of Schools and Colleges.

Every accredited institution must have its accreditation re-affirmed periodically.
