

# Jackson resigns from RurAL CAP

Gordon Jackson, who has been President of the Board of Directors of the Rural Alaska Community Action Program, Inc. since 1974, has resigned effective May 20 to be able to develop a Native Internship Program for the agency.

The program is being developed in response to a recent evaluation of RurAL CAP priorities, which targeted Human Resource Development as an area of major importance.

Jackson remarked, "It's very exciting to be able to have a hand in reviving exactly the kind of program which helped me to develop my own leadership skills."

Bob Brean, a representative of the Tanana Chiefs Conference, Inc., was unanimously elected President of the RurAL CAP Board of Directors at its June 10 meeting in Anchorage, for the remainder of Jackson's term.
