**CONGRATULATIONS
MARVIN & DAN ADAMS**

Adams Contracting Trucking, Inc. of Yakutat is the second company that twin brothers Marvin and Dan Adams have formed together since 1971. The first, Sitak Fish Company, added practical experience to the background both acquired in Business Administration at Anchorage Community College.

Marvin and Dan were born in Juneau and now live in Yakutat. In addition to owning their own companies, the brothers have been fishermen, carpenters and heavy equipment operators. At present, Marvin is President of Adams Contracting Trucking, Inc.

United Bank Alaska proudly salutes Marvin and Dan, and we congratulate them for being outstanding leaders in our community.

The Alaska Native Foundation board and staff are tremendously grieved by the death of our President, Richard Janson.

During his year as head of ANF and his long previous service on the board of directors, Dick has been a mainstay in the Foundation's efforts to serve the Native people of Alaska.

Now, we will miss Dick Janson not only as a colleague and an outstanding Native leader, but also as the wonderfully kind and warm friend that he has been to all of us.
