Dear Editor:

RE: Recruitment of Women and Minorities

The Department of Public Safety is currently engaged in an effort to recruit qualified women and minorities for State Trooper Recruit positions in the Divisions of Fish and Wildlife Protection and Alaska State Troopers.

The next Academy Session begins January 3, 1977. It is our desire to locate and test applicants prior to November. Oral exams will be administered in November in the following locations as needed: Anchorage, Barrow, Bethel, Cordova, Dillingham, Fairbanks, Juneau, Ketchikan, Kodiak, Kotzebue, Nome, and Yakutat. At least, three applicants must be scheduled to guarantee an oral exam session in a location.

We request your assistance in locating applicants. If you know of anyone who might be

interested in a law enforcement career, we would be happy to provide additional information.

Please contact me if you have any questions regarding law enforcement opportunities with the Department of Public Safety.

Sincerely,

Captain James D. Vaden
Commander, I and J Detachments
