**Dr. John Lee Named Director
Of Alaska Native Health Area**

Dr. John F. Lee, named a diplomat by the American Board of Surgery, will assume his new duty with the U.S. Public Health Service next month when he becomes Director of the Alaska Native Health Area.

He comes here from the position of Deputy Indian Health Area Director at Aberdeen, South Dakota.

The new director joined the Division of Indian

Health in 1958 and has served as Chief of the Surgical Service at hospitals in Tuba City, Arizona, and Gallup, New Mexico.

In addition to DIH service, Dr. Lee has had assignments with the U.S. Coast Guard and the Office of International Health in Ethiopia where he also was Peace Corps physician and surgeon. He served in the U.S. Army from 1942-1946.

He interned and also completed his residency in surgery at the USPHS Hospital in Boston, Mass. He holds a masters degree in Public Health Administration from the University of California at Berkeley.

Among professional organizations of which Dr. Lee is a member are the American College of Surgeons, American Medical Association, USPHS Clinical Society, American Public Health Association, Commissioned Officers Association of USPHS and Delta Omega, honorary Public Health Society.

tion of USPHS and Delta Omega, honorary Public Health Society.

DIRECTOR—Dr. John F. Lee, newly appointed by U.S. Public Health Service as Director for Alaska Native Health Area.
