We're sticking.

Atlantic Richfield Company has been in Alaska for a long time. Our people made the Swanson River discovery on the Kenai Peninsula in 1957. We found the Prudhoe Bay Field in 1968. Atlantic Richfield plans to be active in Alaska oil exploration and production for years to come. There have been both ups and downs in the past and there will undoubtedly be more in the future, But we're sticking through it all. Atlantic Richfield Company has
