#### NOTICE OF PROPOSED CHANGES IN THE REGULATIONS OF THE ALASKA COMMISSION ON POSTSECONDARY EDUCATION

Notice is given that the Alaska Commission on Postsecondary Education, under authority vested by AS 14.43.105, proposes to amend and adopt regulations in Title 20 of the Alaska Administrative Code, dealing with the Scholarship Loan Program, to implement AS 14.43.105, as follows:

20 AAC 15.038(2) is amended to clarify that loans will not be awarded for any flight instruction, including collegiate, which leads to a private pilot's license.

20 AAC 15.045(m) is amended to specify that in a flight school program only one loan will be awarded per certificate or rating.

20 AAC 15.055(a)(6) is amended to specify the conditions of a disability deferment.

20 AAC 15.055 is amended by adding a new paragraph (e) to specify that loans in default are not eligible for deferments under this section.

Notice is also given that any person interested may present written statements or arguments relevant to the proposed action by writing to the Executive Director of the Alaska Commission on Postsecondary Education, Box FP, 400 Willoughby, Juneau, Alaska 99811, so that they are received no later than February 21, 1986.

This action is not expected to require an increased appropriation.

Copies of the proposed regulations may be obtained by writing to the above-mentioned address.

The Alaska Commission on Postsecondary Education, upon its own motion or at the instance of any interested person, may, after the deadline stated above, adopt proposals within the scope of this notice without further notice or may decide to take no action on them.

#### REQUEST FOR PROPOSALS STATE OF ALASKA

#### DEPARTMENT OF TRANSPORTATION & PUBLIC FACILITIES CENTRAL REGION

REQUEST FOR PROPOSALS: Term Photogrammetric Mapping Agreement (1986)

The Department intends to enter into a Term Agreement with one or more qualified firms for the performance of aerial photography and photogrammetric mapping during a period from January 1 to December 31, 1986.

The work will consist of providing aerial photographs of specific project locations and the preparation of maps at various scales by photogrammetric means using ground control furnished by the State. Mapping shall comply to the applicable sections of the "Reference Guide Outline, Specifications for Aerial Surveys and Mapping by Photogrammetric Methods, 1986".

The Department shall not be liable for any cost incurred by any consultant in response to his request for proposals or for any proposal development costs by any consultant to which an agreement is awarded. Work, and payment for work, will be authorized only upon issue of a notice to proceed by the appropriate DOT&PF project manager.

Consultants will be evaluated according to standard departmental policy and procedures. Interviews may be conducted with top ranked consultants upon completion of the evaluation process.

An audit evaluation of consultants' business may also be conducted prior to negotiations for an agreement.

The Department hereby notifies all respondents that Disadvantaged and Women Business Enterprises will be afforded full opportunity, and are encouraged to submit proposals and will not be discriminated against on the grounds of race, color, national origin, or sex in consideration for this agreement.

The estimated cost of the proposed work is \$400,000, however, there is no guaranteed minimum amount established by the Department.

Any agreement resulting from this request for proposals will not be valid until approved by the Commissioner or his official designee.

The Evaluation Committee Chairman for the 1986 Term Photogrammetric Mapping Agreement is James J. Rhode, P.E., Chief, Technical Services, Central Region.

Proposal forms may be obtained, at no charge, from Michael Elliott, at Technical Services, DOT&PF, 4111 Aviation Dr., P.O. Box 196900, Anchorage, Alaska 99519-6900. Questions concerning this request should be directed to Michael Elliott at (907) 266-1580. Completed proposals must be received before 2:00 pm Alaska Time on February 3, 1986 in Technical Services, DOT&PF, P.O. Box 196900, Anchorage, Alaska 99519-6900.

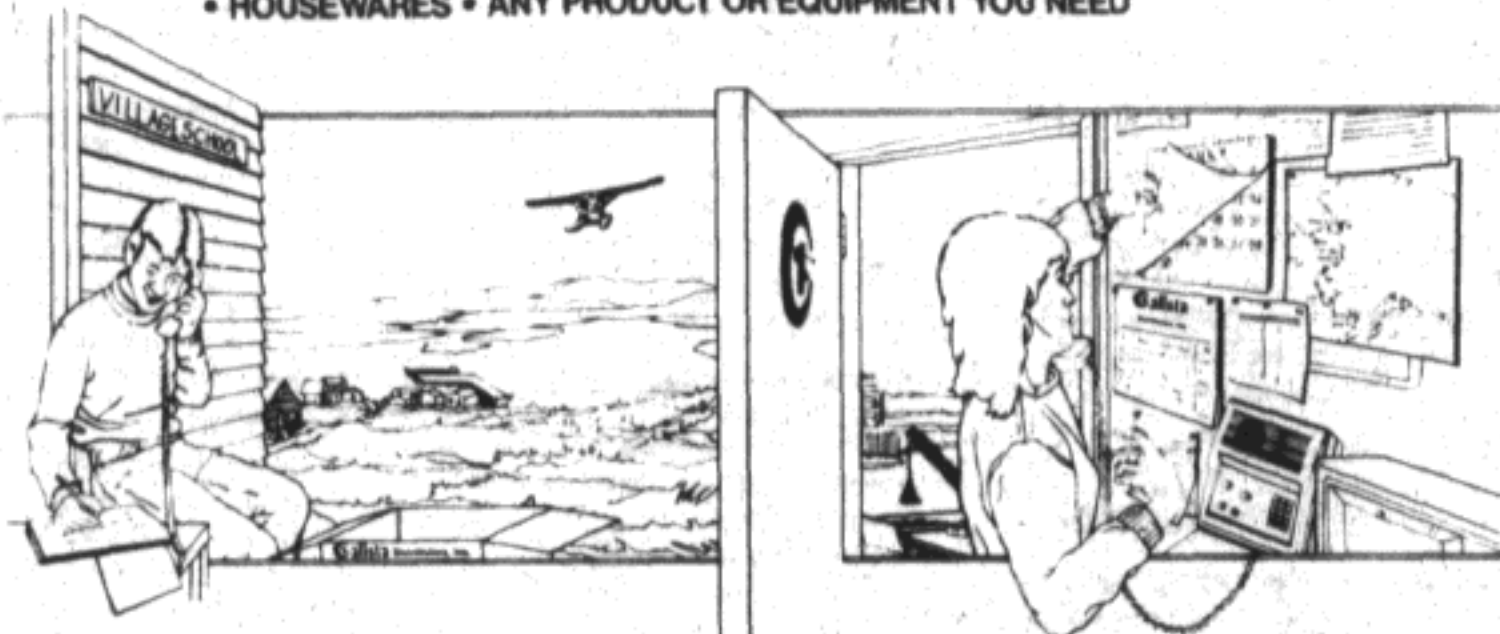

The Department reserves the right to reject any and all proposals.
