

Enjoy a little northern comfort.

Fly Pan Am's 747. Non-stop every day to Seattle.

You no longer have to fly a small plane out of Fairbanks.

Instead, you can fly a 747. And have all the space a wide-body plane gives you to stretch out.

Besides being the only 747, it's the only non-stop to Seattle (gateway to the lower 48), and it's daily.

Flight #902 leaves Fairbanks every morning at 1:00 a.m. and arrives in Seattle at 6:05 a.m.

Leaving you plenty of time for connections to Europe or the Pacific

on another Pan Am 747. Or to catch a flight to almost anywhere in the U.S.

If you're returning to Fairbanks, you can take our 747 back. It leaves Seattle every night at 9:05 and arrives in Fairbanks at 10:30 p.m.

In addition to our Seattle service, we also have a 707 flight from Fairbanks to New York every Sunday evening at 8:00.
