The Siberian: a short story about

Alaskan and Russian Eskimos

Across the cold Arctic waters was his old home. He could not see, nor could he go there anymore, for a man named Stalin had forbidden his fellow Eskimos to cross beyond the International Date Line separating the two mighty countries.

Alaskan and Russian Eskimos

Walrus, bearded seals, beautiful ribbon seals and thousands of hair seals, fat with thick insulating blubber, glide in their seasonal ways to the Arctic Ocean where the ice is perpetually prevalent.

Baron, bearded seals, beautiful ribbon seals and thousands of hair seals, fat with thick insulating blubber, glide in their seasonal ways to the Arctic Ocean where the ice is perpetually prevalent.
